All of my firearms were removed from the house on Jan 9<sup>th</sup> 2015 because I knew if my Mother was released from custody, I would have to remove my guns. Her probation officer made the same statement to G.W Pierce.

Please allow myself(Dusty Carden), Dylan Carden, and Megan Reid to retain and get back all of our personal property. We can all vouch for one another about where our items came from, and who purchased them. We all understand my Mother did wrong, but we sincerely ask that it doesn't reflect on us, and our possessions. We were kept in the dark about the severity of the crimes until my Mother was arrested, and didn't know about which items were being levied until May 19<sup>th</sup> 2015.
